Bryan Y. Lin

Atlanta, GA | (781) 866-7348 | linkedin.com/in/bryanylin | blin368@gatech.edu | US Citizen

Education

Georgia Institute of Technology | Atlanta, GA *August 2026 – Present*
Bachelor of Science in Electrical Engineering Expected Graduation, May 2030
Courses: Linear Algebra, Physics 2, ECE 1100

Winchester High School | Winchester, MA *September 2022 – May 2026*
Transfer with 38 AP Credit Hours, GPA 4.44

Skills

Programming: Java, Python, JavaScript, HTML, C, C++
CAD: SolidWorks, Onshape, Autodesk Fusion
Hardware: Raspberry Pi, Arduino, Breadboards, Soldering, Oscilloscope, Multimeter, 3D Printer, Function Generator
Tools: LaTeX, Git/GitHub, OpenCV, MATLAB, Excel/Google Sheets, VSCode, Linux (Ubuntu), Altium Designer
Languages: English (native), Chinese (native), Spanish (advanced)

Experience

HyTech Racing | Atlanta, GA *August 2026 – Present*
Electrical Team Member
- Designed custom PCBs with Altium Designer to support vehicle telemetry and power distribution infrastructure.
- Developed C/C++ embedded software to process vehicle telemetry, establishing I2C, SPI, and CAN communication with sensors.
- Validated PCB functionality and debugged hardware interfaces using oscilloscopes, logic analyzers, function generators, and multimeters.

Sentier Analytics | Burlington, MA *April – May 2026*
Intern
- Researched and presented overviews of pharmaceutical drug approval and claims data processes to the team.
- Led follow-up Q&A discussions with senior colleagues to walk through findings and key workflow takeaways.

Projects

Autonomous Robot Car | Group Research *August 2025 and August 2026*
Team Member
- Designed and printed the chassis for a miniature remote-controlled robot car, then wired and soldered the motors, servos, camera, and Arduino Uno/ESP32 microcontrollers.
- Programmed the Arduino firmware for motor and servo control and used the ESP32 to enable wireless remote driving with a live camera feed, along with simple autonomous driving model.

Eagle Scout Project - Church Garden Restoration | Troop 507 Winchester, MA August *2024 – April 2025*
Project Lead
- Raised over $3,500 through independent fundraising to fully revamp a neglected community garden, planning the project and directing a 25-person team across 250+ volunteer hours.
- Transformed the site into an active community space, generating regular daily use and widespread positive feedback from local residents.

Leadership

Winchester Science Olympiad | Club Officer *April 2025 – May 2026*
- Organized and led weekly meetings for 50+ members, training teammates through dedicated study sessions and lab prep across all fields of science.
- Earned 3rd place overall at the State Tournament out of 70+ schools, contributing to a team total of 14 top-three event finishes.
- Secured multiple individual medals across invitational and state competitions in events including Hovercraft, Engineering CAD, Machines, Experimental Design, Optics, and Materials Science.

Troop 507 Winchester, MA | Assistant Senior Patrol Leader *June 2023 – June 2025*
- Led group of 60+ scouts. Coordinated structured weekly meetings and monthly outdoor outings to teach practical life skills such as first aid, cooking, time and money management, and leadership.
- Earned the rank of Eagle Scout in 2025, demonstrating exceptional leadership and character.
